Canada Day 2015 - Another Great "Party in the Park"

Since 1996 the Castle Downs Recreation Society (CDRS) and the community leagues in Castle Downs have hosted a fun, family oriented celebration of Canada Day.

Canada Day 2015 was a huge success with a great turnout. It was sunny with some clouds and a high of about 27 degrees.

Elected officials brought greetings from the City of Edmonton (Councillors Dave Loken and Bev Esslinger), from the Province of Alberta (MLAs Nicole Goehring and David Eggen) and the Government of Canada (Brent Rathgeber). A simple translation of their words is "The CDRS and the leagues in Castle Downs show what community leadership is all about. What a great country we live in. Let the party continue."

Volunteers from the CDRS and the leagues make this event happen, along with our corporate supporter Albany RBC who helped supervise the hayride and handed out 1,600 freezies.

Baturyn's cotton candy team had a huge line up all day. Sticky fingers were everywhere and the sugar kept the kids going.

The four "Balloon Fairies" from Caernarvon frantically assembled balloon animals and figures all day long - and they really did look like fairies with their great outfits. Carlisle's glitter tattoo artists put a lot of sparkle on hundreds and hundreds of kids. The CDRS's face painter was a great hit as always.

Dunluce's and Lorelei's jumpy tents let the kids burn off lots of energy. Cumberland-Oxford's Photo Booth was a hit again and the photographer said it was one of the most hectic events he has ever done. The CDRS popcorn booth served over 1,000 bags of popcorn.

Each year the CDRS brings a hayride to take people between the YMCA parking lot and the playground/waterpark. This is a lot of fun for kids and families.

A team of volunteers from Carlisle managed the parking lot to ensure parking was orderly and safe for people coming and going.

Once again, the Seahawks Football Club ran a tremendous BBQ for the crowd.

Thanks to the Castle Downs Family YMCA for providing tables and chairs for the event.

Thanks to the Pacific Island Dancers for being the opening act to the program and for continuing to dance after the program.

Finally, a thank you to Constable Jacqueline Buchanan and Sgt Curtis Hoople from the Edmonton Police Service - their presence helps with the crowd and also lets them be "ambassadors." Sgt Hoople shot some "hoops" with the kids on the basketball court.

Canada Day is an event that builds a great community - the full diversity of the community comes to this event and everyone sees that "Kids and families smile in the same language."

Let the planning begin for Canada Day 2016!!

Please Consider Volunteering for the Baturyn Board

Each year we have members of our Board stepping down, and need to fill those roles before we can offer the sports programs. Even if you don't have children in a program or your children are grown up, why not support your community by taking on a role on the Board.

Check the website and Facebook often to see the various roles that are available and consider volunteering for an Executive or Committee role. This is minimum of a one year commitment, and at minimum requires 3-4 hours per month. This is a great opportunity to grow your skills in managing the league operation, or contributing to one of the programs areas. As well, this counts as your volunteer commitment(s).

Please consider bringing your skills to this role. If you need more information please contact the President at president@baturyn.ca.

Tell Us Your Thoughts?

Baturyn Community League is seeking your input on ways to create interest in becoming a member of the Board. The league traditionally has used the spring Sports Registration event to as the forum for our Annual General Meeting (which is a requirement of our charter) to fill our Board vacancies.

Do you have any ideas to perform our AGM and fill Board vacancies that might be outside the Sports Registration? Do you know of friends and family that may have grown children and looking for ways to give back to their community?

Please share your thoughts with us at communications@baturyn.ca. Any input is welcome.

Membership Co-ordinator Required

We are needing a person to manage our membership distribution and database. There are major events where the league sells most of the memberships. We have an online membership purchase system where a large portion of memberships are sold. You will be responsible to package up and mail the membership hard cards purchased through the system. Roughly the commitment is on average about 3-4 hours per month. You will be required to submit to a police check. If you have children in the Baturyn Sports programs this will act as your volunteer commitment. Please consider bringing your skills to this role. If you need more information please contact the President at president@baturyn.ca.

Baturyn Rinks

Summer is hardly here and we are thinking about the rinks. You have told us that you want the Baturyn rinks available, and have told us that you would volunteer to set them up, and manage them through the winter season. We will be discussing this at our September meeting. If you are interested in volunteering please attend this meeting. The meeting is held at the hall on September 7th, 2015 at 7:00 PM

Ringling endorsement for new 811

Health Link phone number

More Albertans using 811 than the old number. Just weeks after the launch of Health Link's new 811 phone number, more Albertans are dialling 811 for health information and advice. Call statistics show just two weeks after the number was announced, 66 per cent of callers were using the number in place of the old 10 digit numbers. Health Link is Alberta Health Services' free, 24/7 health information and advice line. This province-wide service helps callers by providing at-home treatment options and information on the most appropriate health care services. 811 replaces the existing local numbers in Calgary and Edmonton as well as the provincewide toll-free number. The old numbers will continue to direct callers to Health Link for the time being. In a medical emergency, Albertans should continue to dial 911 or visit the nearest emergency department.

For more information visit www.MyHealth.Alberta.ca/811.

Baturyn Fall Sports Registration

**Indoor Soccer Registration will be taking place on
Wednesday, August 12
at 6:00 PM – 8:00 PM**

It is important that you register your children in your local community league.

Please check the Baturyn website (www.baturyn.ca) for the link to the ON-LINE Registration, which will save you time. You will be able to register your children in fall/winter soccer, choose your volunteer duty, and purchase your membership - all in one place. Just come to the hall and pay your fees and provide your volunteer commitment deposit fees. If you do not have access to the ON-LINE Registration you can register your children at the hall. You will need to purchase a membership at the event to proceed to register. The membership that begins with 14- is not valid for this registration.

In all cases you will need to provide evidence of child age (birth certificate, Health Care Card, Passport) to complete registration.

If you cannot attend this registration, late registration dates will be published on the website and Facebook. Registering late may require that you work a second volunteer commitment.

If you have any questions, please contact the soccer director at soccer@baturyn.ca

2014 Memberships are available

Do you have a current membership for Playschool or Fall Sports or just believe in the value of community membership? The 2014 memberships start on September 1, 2014 and end August 31, 2015

Community League Day

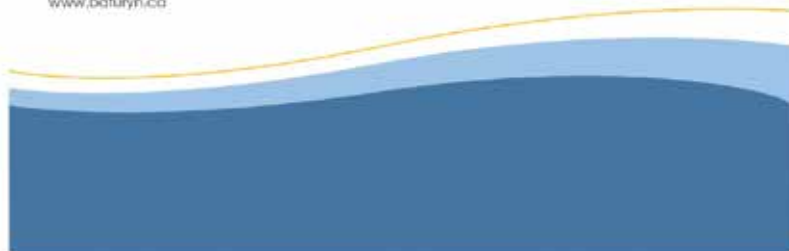

Come out and join the Baturyn Community League in partnership with EFCL (Edmonton Federation of Community Leagues) in celebrating Community League Day in Edmonton. The annual Community League Day celebration is all about showcasing community leagues, the volunteers and the great work they do for your communities, but most of all, it's about welcoming new members into the community league movement. A movement that has been around since the first community league - Crestwood - started in 1917.

Come out and see what your community membership is all about. Your entire family is welcome to attend. Meet your neighbors and the volunteers that deliver your community services. We will be having entertainment, food and drinks, and there will be a table set up if you want to buy your current year membership.

Festival Season

The summer months seem to always go by so quickly. Summer in Edmonton is an exciting time because of all the activities and festivals that are going on—Edmonton was named one of the top places to visit this summer by National Geographic because of our different festivals.

Already this summer, Edmonton has had the FIFA Women's World Cup, A Taste of Edmonton, the Street Performers Festival, K Days, the Freewill Shakespeare Festival, and just recently the Heritage Festival. But the fun is not over yet! If you are looking to attend some festivals this summer, here are some that are coming up:

- Edmonton Folk Fest from August 6-9
- Cariwest: Edmonton Caribbean Arts Festival from August 7-9
- The Edmonton Fringe Festival from August 13-23
- The Edmonton Rock Music Festival is happening August 14-15
- Edmonton Blues Festival from August 21-23
- Symphony under the sky from August 28-30

There are still lots to experience this summer. These festivals are just a few of the many that will be taking place. Edmonton has been named Canada's festival city! There is something for everyone, and I would encourage all Edmontonians to experience some of the festivals that our city has to offer.

For more information on upcoming events and festivals this summer, go to Edmonton.ca, or as always, you can contact my office at 780-496-8128 or at dave.loken@edmonton.ca

Benefits Of Purchasing A COCL Membership

The benefits of having a COCL membership go beyond being able to register your child in sports programs or community play schools. With a valid community membership, you are able to take advantage of free community swimming year-round at these local pools: Castledowns YMCA, Grand Trunk and O'Leary. In the winter, lace up for free skating at the Castledowns Recreation Centre thanks to your membership. To top it off, the City of Edmonton provides community members discounts to their Leisure, Sports and Fitness Facilities. A \$25 family COCL membership can save you \$185 on an annual all facility pass.

Most importantly, having a community membership helps you network with your neighbours and create a sense of belonging. Knowing your neighbours is not only beneficial to the community to get parks, trails, community halls, etc. constructed but also to your family to feel safe and welcome.

Would you like to know about all upcoming events in COCL?

Head on over to our facebook page, Cumberland Oxford Community League and click like.

Volunteers Needed and Appreciated

Volunteers definitely make the world a better place, but think what volunteers can do for your own community! Sharing a bit of your time or skills benefits the families and individual members of the community who enjoy the amazing facilities and programs offered by the COCL. Volunteering can also be a benefit to you! If you are a teen who is looking to fulfill volunteer hours for school requirements, or if you need to fulfill a volunteer commitment for a sports registration (instead of a bingo or casino for example) then contact the COCL for ways you can volunteer. Some areas requiring Volunteers as soon as possible include:

- A Variety Show Director (minimal time commitment until October and November)
- Cumberland Park Phase II committee (additional member required)
- Webmaster (administering COCL facebook page, managing emails, web management etc.)

If you are able to commit some time and enjoy the rewards of helping to improve our community, we'd love to hear from you!

Congratulations to Alex Luong,

the winner of the CDRS Hockey School Contest! Alex wrote us a great letter telling us about himself, his team and why he wants to attend the camp, and now he will be attending the camp in August for free. Great job Alex - and have fun!

More information about the Castle Downs Hockey School is available on their website. <http://www.castledowns.ca/HockeySchool.html>

WHY IS IT SO IMPORTANT TO CALL 311??

Community Liaison Officers stress the importance of calling the police if you witness and crimes or suspicious activity, and to get a detailed description of vehicles and licence plates whenever possible. The more reports they get, the more patrols will take place in our area.

Indoor Soccer

An affordable activity the whole family can enjoy. Meet new friends or reacquant with old friends

Soccer is Edmonton's fastest growing sport, a sport that can be played any time of year. Indoor soccer is a fun weekend activity to spent away from the cold outdoors.

Soccer is an affordable and exciting activity where players develop life skills such as team play and mutual respect.

We offer a community indoor soccer program for children aged 4 to 18 that focuses on fun and equal play time for all players. Our indoor program runs from mid-October to the end of March.

Registration is completed online, however; payment is completed at your local community league beginning late August and early September.

For more information please visit our website

XTREME FC

Already a skilled player ready to make the move to more competitive soccer? Then consider Xtreme FC, EMSA north's premiere program! Skill development and teamwork is a priority at Xtreme FC and in return for higher commitment expectations players can expect to play a much more demanding style of soccer. Tryouts take place at the East Soccer Centre on Victoria Trail in August.

For more information on the Xtreme FC program or to register for tryouts visit the website at

Shout Outs

Firstly we would like to thank **Belinda Lalonde** (stepping down as Facility Coordinator and our overall "go to person") who has been a pillar for our community league board for 13 years. We thank Belinda for her dedication, passion, and for always promoting our community!

We would like to thank **Barb Dyer** (stepping down as Bingo Director) who has been affectionately known as "Bingo Barb" for many years. We appreciate her commitment and support over the years. Both of these ladies will be missed tremendously!

Sometimes miscommunication happens and for our July 4 CDRS bingo we missed it in our volunteer sign-ups and then it showed up on our radar a week away with no volunteers. We would like to extend a huge thanks to the following for helping us out: **Lynnette Thompson, Bob Goruk, Richard Goruk, Catherine Gallinger, Helen Michaels, Lucy Albers, Vivian Chmelyk, Roy Mative, Marge Hansen, Rosemary DiSilva-Kassian, Robert Kassian, Cody Bondarchuk, Lorna Lewis, Tina Hoult, and Arlene Gibbons.**

Having a hall is a critical part of our ability to function as a community league. It is our storage, our meeting space, our special events space, provides rental income, and gives us a centre point for our programs, activities, and community. We have recently made some changes to our hall to add an office space and to repair a very old and leaking roof. We would like to thank the following for helping make our hall better:

- **Mustafa at Benjamin Moore Paint at Namao Center** for donating paint and supplies for our office renovation.
- **Tom at MTD Contracting** for donating his time, and MTD for donating the supplies needed to replace a pipe that was leaking at our front entrance.
- **Tim and his crew at Acron Roofing Systems** who have helped us with the financial aspect and timely repairs to our hall roof. Our roof repairs were a huge expense (about \$115,000) and we have had to commit a large portion of our casino money towards it along with looking for government grants to assist us. Acron assisted with making the repairs possible before all money was in place as well, they have been great to work with on this project.
- **Tina Hoult, Lorna Lewis, and Belinda Lalonde** for making arrangements for all the roof repairs and finally the roof redo.

Upcoming Bingos

Our next bingo dates, held at Kensington Bingo Hall are:

Sunday, August 2 (4:45-10:00pm)

Monday, September 21 (4:45-10:00pm)

If you are scheduled for a bingo, we will try to give you a courtesy phone reminder about a week prior (to the number you wrote down at registration time. You also have your commitment date on your copy of the registration form).

Presently we have no bingo director but we will do our best to follow up on inquiries at email bingolbcl@gmail.com or call Arlene at 780-478-1282.

If you, or anyone you know, would be interested in volunteering as Bingo Director please contact our president Cody at presidentlbcl@gmail.com.

Casino Help Needed

Casinos provide us with substantial income to help cover expenses related to physical upgrades (eg. parking lot, roof, chairs, tables) as well as purchasing equipment for programs (eg. basketball nets for our drop-in basketball program, soccer & softball equipment, uniforms, etc...). We could not function as a community without the income that casinos and bingos bring in. We get one casino ever 18-24 months and we are scheduled for one on Monday, November 23 & Tuesday, November 24 at the Yellowhead Casino. We are looking for volunteers for both day and evening/night shifts in all positions (banker, chip runner, cashier, count-room, etc...). No experience is necessary but you must be 18 years or older. If you would be willing to help us out for a casino shift please contact Lorna at 780-457-1039 or email casinolbcl@gmail.com.
