A Flu-free New Year

It's not too late for your influenza immunization

You resolve to start the year healthy. To eat well, be active... but what about your flu shot?

Influenza season is here. As of December 10, 2016, more than 774 lab confirmed influenza cases have been confirmed in Alberta and 5,323 people with influenza-like symptoms have been reported. Of these cases, 189 have been hospitalized.

No matter how healthy you think you are, if you haven't been immunized yet this season, you're at risk of contracting influenza too.

The good news? Influenza immunization, or the flu shot, is still available, free of charge, to all Albertans six months of age and older.

Start your year healthy and stay that way; get immunized today.

Embracing air and winter activities

As temperatures drop across the province, many people are content to put on an extra pair of socks, settle in with a hot cup of cocoa and grumble about the weather.

Some good advice for anyone with the winter blahs is to get outside and get moving—and breathing deeply. You really can't have too much fresh air in the winter.

One of the great things about winter is the refreshing bite of cold air when you step outside. It's exhilarating, and when you're dressed for the season, that coldness quickly disappears with a walk to the convenience store or a climb up a toboggan hill.

Try getting outside every day for a week for 10 to 30 minutes at a time. Move with purpose: shovel the walk. Shovel the neighbour's walk. Look for birds, stars or big snowdrifts. Walk the kids to or from school if you can. Put on a pair of skates, skis or snowshoes. Slide, glide and embrace the season. And share it with family and friends.

Winter can be fun. Get out there enough and you could find yourself a little reluctant to say goodbye to winter when spring rolls around.

Using your own two feet to get around is good for you and for the air around us. The less you drive, the fewer emissions in the air. And if you have to drive, try to cut down on the idling. Turn the engine off when you run into the store for a cup of coffee or are waiting to pick up someone.

You might think you're just one person in one vehicle, but you'd be amazed at how small changes add up to big differences to your life and your community.

Volunteer Opportunities

Volunteers are an important part of our community and many community events would not be successful without their important contribution. Volunteers share valuable skills and their time to help build strong communities and support many families & individuals within our community.

Being a volunteer also lets you benefit from your experience through building relationships within your community, building skills, and creating opportunities for personal growth. The benefits you receive from volunteering are endless. Are you interested in being a volunteer?

Urgently Required:

Bingo (Kensington Bingo Hall) - Monday, February 6th
Winterfest - Monday, February 20th

Additional Volunteers Opportunities:

Treasurer – Responsible for incoming and outgoing finances for league
Finance Director – Responsible for fundraising activities for the league
Volunteer Director – Responsible for the provision & management of volunteers for the league

Baturyn's Bingo Angels

Bingo's are an important part of our community league operation as they provide us with much needed funds to help run many of our programs. We have 14 bingos per calendar year with a staffing requirement of a minimum of 16 volunteers. We try very hard to staff these through our program participants but sometimes we run short. Working a bingo is a great way to get out of the house, engage with other people from your community, and help provide valuable programs offered to the residents in your area. We are looking for people who would be willing to put their name on a contact list that we can call upon in a time of need and become a Baturyn Bingo Angel. Bingo Angels will qualify for an incentive program offered from the community league. If you are interested in joining our Bingo Angel's List, please contact Nicole at Volunteers@baturyn.ca to discuss this opportunity.

If you want to get involved in your community, or if you are a teen and have to fulfill volunteer hours for school requirements, or if you have a volunteer commitment for sports registration that you need to meet, contact Nicole at volunteers@baturyn.ca to see how you can volunteer.

Annual General Meeting

COCL's AGM is scheduled Saturday, March 4th, 2017 1-2pm in the Gateway Alliance Church 13931 – 140 Street. Please join us as we give our annual update of the League's activities and status. We will also be running elections for several important Board positions.

Please consider joining the League's board as COCL has several positions that need to be filled. If you would like the opportunity to connect with your neighbours and help contribute to your community, please consider these options.

1. President

The current president's term is finished and we will need someone to continue in this role. In short, without a President you can't have a league. Generally, the president runs the meetings, represents the community to external stakeholders, and performs overall management of the league. The league has a Past President position of which the current President will assume. The Past President is there to guide the current president in their role.

2. Vice President

The VP is there to support the President in their role and to represent as the President when the President is unable to. The Past President is also there to provide guidance.

3. Registration Director

The registration Director manages the Spring and Fall Registrations to ensure they are run as smoothly as possible. Training is provided by the board COCL Needs Your Support

4. Variety Show Directors

Every fall the Castledowns Recreational Society puts on a wonderful 5 weekend run of the "Variety Show – An Evening of Comedy". 2 people from COCL are needed

for the committee. They represent the COCL at the Variety Show organizational meetings, help plan the event and manage the parent volunteers during the event.

5. Bingo Director Assistants

At least 2 people are needed for this role. COCL participates in an average of one bingo a month. The Bingo Director and assistants manage the parent volunteers and work with the Bingo staff to ensure a smooth running event.

One Director/assistant is needed for each event. With multiple people filling this role the responsibilities can be shared

Ask Charles

I saw an ad saying a real estate professional will buy my house if it's not sold in 90 days. Should I be wary?

Wary might not be the best word, but you do need to make sure you understand the details of the offer. This type of offer is a guaranteed sales agreement, and while there is nothing illegal or wrong with a real estate company offering this kind of arrangement, it is rarely the best option for consumers.

In a guaranteed sales agreement, a real estate brokerage agrees to buy a piece of real estate from a seller at a previously agreed upon price, if it hasn't sold to someone else before a certain date. Only real estate brokerages can offer these agreements, not individual real estate professionals.

If you're selling your home to buy another one, you may be interested in a guaranteed sales agreement for the home you own now. It could help you avoid owning two homes and paying two mortgages. A guaranteed sales agreement might give you the confidence to proceed with your new home purchase before selling your current one.

What sellers need to keep in mind in these arrangements is that the real estate brokerage wants to minimize its risk.

For example, it's rare that a guaranteed purchase price will be based on the property's listing price or the property's market value. In most cases, the brokerage calculates the guaranteed purchase price using a formula where legal fees, carrying cost, and commission on the resale are subtracted from the purchase price. This minimizes the brokerage's risk, but it can also greatly reduce how much that seller receives for their home.

Brokerages that offer guaranteed sales programs are required to have policies for those programs. Those policies should include how the brokerage sets the guaranteed sales price and who is in control of the property's listing price during the listing period; it may not be the seller. It's not unusual for a guaranteed sales agreement to include a clause that requires a seller to lower their listing price during the term of the listing. Remember, your real estate brokerage wants to minimize its risk. It prefers to sell your property to a buyer rather than to use the guaranteed sales agreement, and lowering the listing price can sometimes help that happen.

If your real estate brokerage offers you a guaranteed sale agreement, it's up to you to decide whether you're interested. Before you do, make sure you read and understand all of the fine print.

"Ask Charles" is a monthly question and answer column by Charles Stevenson, Director of Professional Standards with the Real Estate Council of Alberta (RECA). RECA is the independent, non-government agency responsible for the regulation of Alberta's real estate industry. We license, govern, and set the standards of practice for all real estate, mortgage brokerage, and real estate appraisal professionals in Alberta. To submit a question, email askcharles@reca.ca.

Bingos

Upcoming Bingos

Our next bingo dates, held at Kensington Bingo Hall from 4:45pm - 9:45pm

Wednesday, January 25 (9 volunteers needed)

Monday, February 20 (Family Day stat) (18 volunteers needed)

Please consider volunteering! **\$50 Tiger bucks will given for each volunteers spot filled.** Tiger bucks can be used for soccer registration fee or hall rentals.

If you are scheduled for a bingo, Jennifer will give a courtesy phone reminder about a week prior (to the number you wrote down at registration time. You also have your parental commitment date on your copy of the registration form).

For bingo inquiries please contact Jennifer at 780-720-7843 or email: bingolbcl@gmail.com

Advice when volunteering at Bingo: Wear comfortable shoes, as most jobs require you to walk around the bingo hall for the shift. Please don't plan on texting friends or standing on the sides; we are expected to focus on our job and circulate throughout the room.

You will get a 25 minute break which allows you to sit and relax and you can have a meal from the concession stand for free.

Do call-backs quickly (calling out the bingo winner's number) which speeds up the games and gets you out earlier.

Have fun; visit with your community members as you walk around, and think of all the good you are doing for your community and your body (it is exercise too!).

I want to wish everyone a very Happy 2017. I was excited to visit so many constituents and locations over the holiday season.

We met with the Castle Downs Lions Village residents, St. Charles Parish, Northwest Pentecostal Assembly, The Chin Yin Buddhist Society, Castledowns Baptist Church, All Saints Lutheran Church, Good Shepherd Anglican Church, The Church of Jesus Christ Latter-day Saints, residents, families and staff of Salvation Army Grace Manor and Tuoi Hac Golden Age Manor, Al Rashid Mosque and the Military Family Resource Centre Edmonton. I also was able to stop by and show my appreciation for all the hard work of the Firefighters of Castle Downs Fire Station #17.

I had the extraordinary opportunity to attend the Community Holiday Luncheon with the Edmonton Islamic Academy. The food was delicious and thank you for the moving presentations from the students.

Earlier this month, Minister of Finance Joe Ceci and I were welcomed at the Castle Downs Family YMCA to announce the budget consultation process for Budget 2017. If you have any suggestions, comments or questions please reach out to my office. There is also an online submission form that can be completed at the following website.

<https://www.alberta.ca/budget-consultations.aspx>

Submissions will be accepted until Feb 3 at 4:30pm.

We look forward to hearing from you and I want to wish everyone a happy healthy Chinese New Year!
