Volunteer Opportunities

Board Position – Social Director

Do you like being social and building relationships?
Do you like planning social activities that are fun and exciting?

You might be a great fit for the Social Director position.

The Social Director plays an integral role in events put on by the community league. This significant role is responsible for planning and organizing events throughout the year.

These events help to foster community engagement, create opportunities for people in the community to meet their neighbours, and provide for fun and entertainment for people of all ages. Some events we have enjoyed are the Annual Winterfest, New Years Eve Party, and the upcoming Mother's Day Tea & Cookies/Pots for Porches event.

There is lots of opportunity for the person who fills this role to be creative with their event planning and create networking opportunities for themselves and the community league.

Board Position - Bingo Representative (2 Positions Available)

Bingos are an important part of our community league operation as they provide the league will much needed funds to help run many programs. The Bingo Representative is responsible for coordinating the volunteers working at one of the 14 bingos the league is responsible throughout the year. They will act as liaison between the community league, bingo hall and Alberta Gaming and Liquor Commission.

We are looking for two individuals to share the responsibilities of this position. Both incumbents are able to coordinate on coverage at the Bingos and their attendance at required meetings.

Board Position – Castle Downs Recreation Society Representative (2 Positions Available)

Castle Downs Recreation Society (CDRS) is an advisory committee made up of the community leagues in the Castle Downs area. Acting on behalf of Baturyn Community League (BCL), the CDRS rep attends BCL board meetings and reports BCL happenings at the monthly CDRS board meeting. In turn the CDRS Rep will report back to the BCL board any information pertinent to the community from CDRS. This is a good opportunity for anyone who is interesting in what is happening in our Castle Downs communities and also give a voice for the Baturyn communities on a larger scale.

As we have two voting positions on the CDRS board we are looking to fill 2 positions to ensure that Baturyn has their say in happenings that may affect BCL members.

To inquire or to apply on these Board positions, please contact Courtney at president@baturyn.ca. If you want to get involved in your community, or if you are a teen and have to fulfill volunteer hours for school requirements, or if you have a volunteer commitment for sports registration that you need to meet, contact Lerrae at volunteers@baturyn.ca to see how you can volunteer.

City of Edmonton Development Permit Compliance

The City of Edmonton does not do routine checks to ensure that new developments follow regulations.

To a great extent, the city relies on leagues and nearby neighbours to report building developments which are not in compliance with regulations in the zoning bylaw and the development permit.

Call 311 with your inquiry if you suspect abnormalities.

Perhaps a building appears abnormally large or too close to the property line, or you are concerned about other problematic irregularities.

LRT North

June 6th's Executive Committee left me dumb-founded. I have been pushing to get the LRT extended north, and a few months ago it seemed like we were ready to begin planning this exciting next phase. The plan for the LRT has been to extend it west and then northwest once the valley line was complete. The long-term plan to extend the LRT from NAIT to Blatchford, and then on to Grand Trunk, Griesbach, and Castle Downs communities would benefit all of north Edmonton.

There was the suggestion that because the province has plans to build a new hospital on the south side that the LRT extension south should be the next phase of construction, before the northward line. This motion left me aghast, and is not something that I will agree to.

At City Council on June 13, my colleague Bev Esslinger and I, with the help of Mayor Iveson and administration, brought a notice of motion that will be put forward at the next council meeting. The motion asks that administration include a study on a scenario where an express bus service would run from Blatchford on a bridge over the Yellowhead and CN Calder Rail Yard to provide express service in the interim before the LRT is developed. The bridge would be future-proofed with the purpose of upgrading it for a rail for the LRT. Including this study would provide more information, and bring rapid transit to the north while the LRT is in the planning and building stages. This report is to come back in March 2018. My hope is that this will bring faster, more efficient transit options to the north quickly while the LRT is unavailable. Nothing has been decided, yet. But I will fight as hard as I can to make sure that the north side gets the LRT soon. This has been one of my priorities throughout my time in council, and it continues to be a top priority for me. The north side has been without the LRT for too long, and it is time that is rectified.

WHY 30 AT JUNIOR HIGH SCHOOLS?

As of September 5, 2017, school zones are in effect around **elementary** and **junior high schools** throughout Edmonton. Motorists are required to slow down to 30 km/h between 8 a.m. and 4:30 p.m. (08:00 – 16:30) on school days where school zone signs are posted.

WHY IS IT IMPORTANT TO SLOW DOWN?

The lower speed limit protects our most vulnerable road users: our **children**.

Upcoming Bingos

Our bingo dates, held at Kensington Bingo Hall from 4:45pm - 9:45pm

Monday, June 12 (1 volunteer needed)
Thursday, July 13 (7 volunteers needed)
Sunday, August 13 (16 volunteers needed)

Please consider volunteering! **\$50 Tiger bucks will be given for each volunteer spot filled.** Tiger bucks can be used for soccer registration fee or hall rentals.

If you are scheduled for a bingo, Emily will give a courtesy phone reminder about a week prior (to the number you wrote down at registration time).

You also have your parental commitment date on your copy of the registration form).

For bingo inquiries please contact Emily at bingolbcl@gmail.com

Advice when volunteering at Bingo: Wear comfortable shoes, as most jobs require you to walk around the bingo hall for the shift.

Please don't plan on texting friends or standing on the sides; we are expected to focus on our job and circulate throughout the room.

You will get a 25 minute break which allows you to sit and relax and you can have a meal from the concession stand for free.

Do call-backs quickly (calling out the bingo winner's number) which speeds up the games and gets you out earlier.

Have fun; visit with your community members as you walk around, and think of all the good you are doing for your community and your body (it is exercise too!).
