Some events we have enjoyed are the Annual Winterfest, New Years Eve Party, and Mother's Day Tea & Cookies/Pots for Porches event.

## WARD 3 EDMONTON CITY COUNCIL

# ELECT John OPLANICH

The Name You **KNOW**

The Man **YOU** Can **TRUST**.

*The Councillor you **NEED***

### PROMISES

1. **Property Taxes** are out of control - **NO** new taxes in 2018. We are just trying to make a Living! Why does the City want to make a Killing! Your prop taxes will double in next 7-10 years. Is that what you want? A fixed % of our tax dollars **MUST** go back into the communities not **ACROSS THE RIVER**.
2. **Photo radar** is NOT going away. It's a cash cow. Ward 3 wants a piece. I'm proposing 1 photo radar unit per Ward. Funds generated would go directly to communities in the Ward. Empower our Community Leagues. They know best what is required.
3. City of Edmonton 4 day work wk **where possible** -10 hrs per day. Every Friday is OFF-happier employees-productivity increases-66% reduction in sick days. **MILLIONS** of dollars saved for the taxpayer. Proven. Read all about it on internet. City workers I have spoken with think this is a fantastic idea and they support it!!
4. **Employee self-managed** departments. It's time. Team Leaders. Team effort wins every time. Make public....city salaries.
5. **Pay City employees commissions**-They know where to cut and reduce spending in their departments. We need to **LISTEN**. Savings will add up to millions.
6. **Technology** - Smart phone APP to conduct surveys on any issue facing City Council. In a matter of hours you could have 100,000 responses. I want to know how **YOU** feel about an issue? Why spend millions on studies vs pennies??
7. **Infrastructure**-Our roads, sidewalks & alley's are crumbling. Just ask Baturyn, (I live here), Dunluce, Beaumaris, Lorelei, Evansdale and Kilkenny.
8. Fiscal Responsibility - stop borrowing and killing us with taxes to pay for it.
9. **No more tax increases to seniors** earning less than \$50,000/yr or 80 years old. They have limited resources.
10. We are the **Greatest Sports Town in Canada**. Bring back **City of Champions** signs. STOP **wasting** millions re-branding this City. **If Elected I'll pay for 1 sign myself**. I'll put my money where my mouth is. **Sportscaster Terry Jones gives ElectOplanich.com the thumbs-up on this one.**
11. Candidates in Ward 3. **PROMISE** if Elected, to serve for max of 1-2 terms. Then you are **OUT**.
12. **I promise** shovels in the ground digging **LRT to YMCA Castle Downs** within 4 yrs. We can't wait until 2030. We have been waiting 40 years. We were in the drivers seat during the 1976 Commonwealth Games. Now we're sitting in the back of the caboose pushing everyone else's agenda across the river. **What the H \_ \_ is going on ?**
13. I want to see \$2/household per month go to the Community Leagues from our Property taxes for beautification, community events, water parks, playgrounds, etc.
14. **I promise** to serve for max of 1-2 terms. Then I'm out. You want **REAL** change in City Council? **VOTE for this CANDIDATE**. 8 yrs is enough for any City Councillor. We don't need anyone that wants to be **carried out in a coffin**.
15. Support our police & fire depts that **keep us safe** & use more Peace Officers to patrol our neighbourhoods.
16. I understand the issues. I have solutions, not suggestions. I'm **COUNTING** on you. **I HOPE** you'r counting on me.
17. I **LIVE** in your neighbourhood. The decisions I make affect my family as much as your family. You are in very good hands with a **conservative** thinker!
18. **Ward 3 can't afford another 4 years in the back of the train**. Who's going to help me build a **WAVE** and **COOL** down City Hall with a **SPLASH!**

## Teen Driver Safety

Driving is a risky experience for all of us but it is most risky for teenagers in their first year of unsupervised driving. Car crashes are the leading cause of death among teens in Alberta. Not all risk is bad; risk is a necessary part of healthy teen development. It is important that teens take Smart Risks when driving. For more information on the smart risk approach visit: <http://www.albertahealthservices.ca/injprev/Page4880.aspx>

Encourage your teen to look first. This means being prepared to drive, every time, by checking road conditions and mapping routes before they get into their car. It is also important to check tires, adjust seats and rear-view mirrors before driving. Remind your teen to buckle up, no matter how short the drive. It is the law. Teens can get trained by taking a driver's education course from an unbiased expert who has years of experience teaching new drivers. Enforce with your teen that it is the law to drive sober. Set a rule against drinking and driving.

Aside from encouraging your teen to take smart risks when driving, there are many things you can do to help keep your teen safe:

- 1) Set a good example behind the wheel by modeling the smart risk behaviours above. Always wear your seatbelt, never speed and be respectful of other drivers and pedestrians on the road.
- 2) In addition to driver's education, teach your teen how to drive under your supervision in low risk conditions before moving up to more risky situations.
- 3) Stay informed about Alberta's Graduated Driver Licensing (GDL) laws and speak with your teen about it.
- 4) Using the Parent/Teen Driving Agreement with your teen can help you with all of these things. This agreement will help you start and keep an open, honest dialogue with your teen about their driving behaviour. It will also help you work together to set boundaries and build trust.

## Edmonton Municipal Election October 16, 2017

### Who can vote?

**Do I have to be on the voter's list to vote? I have not been enumerated yet. Can I vote?**

There is no voter's list in Edmonton for City Council and School Board Trustee elections. Voters must provide authorized identification at the voting station, such as an Alberta driver's license or an Alberta Identification Card.

In addition, all voters are required to sign a statement (Form 8 - Voting Register) when they attend the voting station to confirm they meet the qualifications required to vote.

To be eligible to vote, you must:

- present authorized identification
- be at least 18 years of age
- be a Canadian citizen
- be a resident of a ward within the city of Edmonton on Election Day (October 16, 2017)
- have resided in Alberta for the six consecutive months immediately preceding the election (April 10, 2017)
- not have already voted in the current election

All voters must sign the voting register stating that they meet these qualifications and provide satisfactory authorized identification before they will be given a ballot.

## Suicide: Reach out and save lives: understand the signs

Suicide affects people of all genders, ages and ethnicities. Each year more Albertans die by suicide than motor vehicle collisions. As a result, many Albertans have been impacted by losing someone to suicide.

Suicide is a preventable tragedy that starts with recognizing the warning signs and taking them seriously:

- Talking about suicide or a plan
- Giving away personal possessions
- Visiting or calling people to say goodbye
- Making statements about hopelessness, helplessness or worthlessness
- Loss of interest in previously enjoyed activities
- Personality changes, including lack of self care/neglect of self
- Increase in drug and alcohol use or risk taking behaviour
- Becoming cheerful after a period of depression, which may mean the individual has already made the decision to escape their problems through suicide

Suicidal people are in pain and want their pain to end, but do not necessarily want to die.

Asking someone directly if they are suicidal does not put the idea in their head. In fact, talking openly to someone who may be suicidal can provide relief. Being aware of these signs and starting the conversation lets the person know you care and can make a difference so they can get the help they need.

If you or someone you know needs help, please call Health Link at 811.

## Upcoming Bingos

Our bingo dates, held at Kensington Bingo Hall from 4:45pm - 9:45pm

**Wednesday, October 18, 2017**

**Thursday, November 23, 2017**

**Wednesday, December 20, 2017**

**Monday, January 22, 2018**

If you are scheduled for a bingo, Emily will give a courtesy phone reminder about a week prior (to the number you wrote down at registration time. You also have your parental commitment date on your copy of the registration form). **For bingo inquiries please contact our President Sonya at presidentlbcl@gmail.com**

Advice when volunteering at Bingo: Wear comfortable shoes, as most jobs require you to walk around the bingo hall for the shift.

Please don't plan on texting friends or standing on the sides; we are expected to focus on our job and circulate throughout the room. You will get a 25 minute break which allows you to sit and relax and you can have a meal from the concession stand for free. Do call-backs quickly (calling out the bingo winner's number) which speeds up the games and gets you out earlier.

Have fun; visit with your community members as you walk around, and think of all the good you are doing for your community and your body (it is exercise too!).

Please consider volunteering! **\$50 Tiger bucks will be given for each volunteer spot filled.** Tiger bucks can be used for soccer registration fee or hall rentals.

## Scrapbooking and Paper Crafting

Want a great way to escape the hustle of life and capture the moments that will last a lifetime? Join the crafty scrappers at Lorelei-Beaumaris Hall (16220-103 street) for an upcoming mini-retreats on:

- October 21, 2017
- November 18, 2017

You will have the time and space to scrap-book your favorite pictures either traditionally or digitally or do your card making, paper crafting and stamping.

Digital Tid-bits will now be included free in Funcrops, instead of being at a separate paid event. You will have unlimited use of all Tannis' tools - including Cricut Expressions machine, and cartridges, Cuttlebug and dies, and scanner for conversion to digital file (must have your own USB), a limited amount of supplies will be available for purchase. Coffee, muffins in the morning, light snacks in the afternoon and some kind of tasty food for supper.

Please contact Tannis for more information [photos@telusplanet.net](mailto:photos@telusplanet.net) (780) 885-1647 <http://lbcl.ca/scrapbooking>

## Ask Charles

***I made an offer on my dream home and stopped looking at other properties. My offer was not accepted, and I later learned the house was already conditionally sold at the time I made my offer. Doesn't the seller have to tell me the house is conditionally sold before I make an offer?***

No. Sellers do not have to disclose to buyers if their property is conditionally sold to another buyer.

Sellers are in the driver's seat when it comes to disclosing the status of their property's listing, and that includes whether they disclose when it is conditionally sold. If the seller instructs their agent not to disclose to buyers that their property is conditionally sold, the seller's agent must follow those instructions.

Remember that conditionally sold is not the same thing as sold. If the conditional offer falls through, the seller has to begin the process of attracting potential buyers again. But, if they continue to market the home while it is conditionally sold, they increase their chances of having a backup offer from another buyer in the event the first buyers don't waive their conditions.

I understand this was your dream home, you stopped looking at other properties once you made your offer, and it's frustrating to not get the home, but your agent should have advised you of the possibility of the property being conditionally sold. In doing so, they could have also advised you of possible other courses of action.

While a seller isn't required to disclose that their property is conditionally sold, your agent can always ask if it is. In that case, the seller has two options – they can instruct their agent to answer the question – and if doing so, they must answer it honestly and not lie. Or, they can instruct their agent to refuse to answer. If the seller's agent refuses to answer the question, you can probably read between the lines. Choosing not to answer the question can be an answer in itself.

So, what do you do in the event you find a home you want to see, but you're worried about it being conditionally sold?

If you love the home, go see it even if it is conditionally sold. This way, if the first conditional sale falls through, you'll be prepared to make an offer right away. Or, even submit an offer as a backup so that it's considered as soon as the first sale falls through.

Hours: Mon - Fri 8:00 am to 6:00 pm Sat 9:00 am to 2:00 pm

I hope everyone had a wonderful summer and a smooth transition back to school. This is such a beautiful time of year and I was able to engage with constituents of all ages at Military events, Community League Day, and Back to School BBQ's. I heard great feedback about the cut to school fees for designated schools across the constituency and its positive impact for so many families.

We would like to encourage all elementary students of Edmonton Castle Downs to submit artwork to my office as we begin the 2<sup>nd</sup> Annual Holiday Art Contest for the Constituency Office. The winning submission will be used as the Constituency Holiday Card and will be mailed all across Alberta. Please drop submissions off to 12120 161 Ave, Edmonton AB, T5X 5M8 either in person or via mail by October 2.

Fall is also the season for the Castle Downs Variety Show. I want to encourage everyone to purchase tickets and attend this 33<sup>rd</sup> Season. Last year the Variety Show was able to update the stage and sound equipment due to provincial government community grants. It's important to support the arts and community league initiatives and if you know someone who would be interested to learn more about provincial grants please don't hesitate to contact my office.

I want to also take the time to finally congratulate all the outdoor sports teams who recently wrapped up another fantastic season. I would be honoured to provide scrolls to teams in the community so please feel free to contact my office to submit the names and honour their achievements.

## Yielding to Emergency Vehicles

Time is the enemy in an emergency. For everyone's safety, it is important for motorists to understand how to correctly yield right of way to emergency vehicles with lights and siren activated. You can help EMS, police, and fire get to the scene quickly and safely by following these rules of the road:

### When an emergency vehicle approaches with lights and siren activated:

- If you're in the middle of an intersection when an emergency vehicle approaches with lights and siren activated, safely clear the intersection;
- On a one or two lane road, motorists should move to the right side of the road, slow down, and then stop. Remember to signal;
- On a road with three or more lanes, motorists should move to the nearest side of the road and stop. If driving in the centre lane, move to the right side of the road and stop. Remember to signal;
- Come to a complete stop and wait for the emergency vehicle to pass. Shoulder check for more emergency vehicles (there is often more than one) before re-entering traffic flow. Remember to signal;
- Emergency vehicles might use *any* available road space to maneuver. This could include the shoulders, turning lanes, in order to pass other traffic.

### When operating a vehicle:

- Drive attentively and defensively at all times. Be cognizant to sirens and be prepared to yield the right of way;
- It is Alberta law for motorists to slow down to at least 60 km/hour (unless a lower speed is posted) when driving past a stopped emergency vehicle. This includes EMS, police, fire, and tow trucks with their lights activated;
- Do not break the rules of the road in order to give right of way to an emergency vehicle. This could include proceeding through a red light, or making an illegal turn. Actions such as these jeopardize all motorists in the area;
- Drivers must place their full attention on the roadway and toward the safe operation of their vehicle at all times. The fine for distracted driving in Alberta is \$287.00;
- Always leave plenty of space between your vehicle and an emergency vehicle, should it be required to stop suddenly.

## Time For Positive Change On City Council

### If your Councillor hasn't done anything for you in two terms, why would they start now?

Our representation in City Hall has focused on downtown development while ignoring those who pay taxes in Ward 3. This is short-sighted and not how the ward system should work.

Jon Dziadyk is your choice for the upcoming municipal election. He will stand up for the North Side because a strong North Side equals a strong Edmonton. New blood equals new energy. Jon will stop the neglect, fix Beaumaris Lake, and improve our roads and parks. He will return your phone calls and listen to your concerns.

Jon is hardworking, honest, and ethical. He is an urban planner, military officer, and author. A movement is forming around Jon and you are invited to join it. Even if you live in Ward 2, Jon wants to hear from you. To volunteer, donate, request a lawn sign, or for more information, please contact [www.JonDziadyk.com](http://www.JonDziadyk.com)

**On Oct 16 vote Jon D for Ward 3**

## Back to School Lunches

Healthy school lunches and snacks give children and youth energy and the nutrition they need for proper growth and development. Without healthy food, children may feel tired, have difficulty concentrating and may not have the energy they need to learn and play at school.

Here are some tips to make healthy school lunches to fuel your child throughout their day.

1. Involve your kids. Let them help plan and prepare their lunches.
  - Set aside time to make lunches a team effort. Making lunch can be fun and allow time to spend together. This can be a part of your family's routine; once the kids are home from school, or right after supper.
2. Bored with sandwiches? Switch it up. Use the same filling, but change the grain product. You can have more than a week's variety!
  - Try using whole grain wraps, pitas, small bagels, English muffins, flatbread, naan bread or buns. Having some of these choices in the freezer can make it easy to switch up and help with reducing food waste.
  - Use hummus, tzatziki (cucumber yogurt spread), guacamole, or salsa as a sandwich spread to add flavour and variety.
3. Are sandwiches not an option? Try these instead:
  - Chili or stew (in insulated container) with grated cheese
  - Whole grain crackers, cheese, and carrot sticks and snap peas with hummus.
  - Oatmeal with fruit and nuts
  - Salad with meat or beans and grated cheese.
  - Fruit salad with cottage cheese and whole grain roll.
4. Make vegetables and fruit easy to eat. Prepare enough vegetables and fruit for a few days or the week instead of doing this every day. Some kids enjoy dips with their vegetables or fruit.
5. Include at least three of the food groups from Canada's Food Guide Aim to include a food choice from at least three of the four food groups from Eating Well with Canada's Food Guide for a balanced and healthy meal. Keep servings sizes appropriate for your child's age/appetite.
