Halloween during COVID-19

Celebrate the spookiest time of year without the fear of spreading COVID-19.

From trick-or-treating to the double feature picture show, you can enjoy your favourite Halloween activities safely by taking some simple precautions. Leave the terror to monsters, ghosts and evil clowns - not the pandemic.

Trick-or-treating

- Don't go trick-or-treating if feeling ill, even if symptoms are minor
- Choose costumes that allow a non-medical mask to be worn underneath - make sure you can see and breathe comfortably
- Minimize contact with others: trick-or-treat with your family or cohort, remain within your community, and stay 2 metres apart
- Avoid touching doorbells or railings: call "trick or treat" from 2 metres away, knock instead of using doorbells, use hand sanitizer after touching surfaces
- Wash hands and disinfect packages before eating candy

Handing out candy

- Don't hand out candy if feeling ill or isolating
- Wear a non-medical mask that fully covers your nose and mouth
- Ask trick-or-treaters to knock or call out instead of ringing the doorbell
- Use tongs to hand out pre-packaged candy to avoid han-

dling treats

- Find creative ways to maintain distance from trick-or-treaters:
- Hand out treats from your driveway or front lawn, if weather permits
- Set up a table or desk to help keep yourself distanced
- Make candy bags and space them out on a table or blanket; don't leave out self-serve bowls of bulk candy
- Build a candy slide, candy catapult or other fun, non-touch delivery methods

Halloween parties

- Stay home if feeling ill, even if symptoms are mild
- Spend time with people you know - the smaller the group the better
- Choose games and activities that don't use shared items and allows people to stay 2 metres apart
- Don't share drinks, food, cigarettes, vapes or cannabis
- Host your party outdoors, if weather permits. If you must stay indoors:
 - reduce your gathering size
 - choose a location that allows for physical distancing between people from separate families and cohorts
 - provide hand sanitizer
 - Wash or sanitize your hands often

Please join us for our Annual General Meeting on October 20, 2020 at 7PM

Please join us for our Annual General Meeting on October 20, 2020 at 7PM at the Twin Brooks Community League Centre. Proper Covid-19 protocol will be in place & please wear a mask. Positions up for election are: Vice President, Treasurer, Programs Director, Membership Director & Volunteer Director, all 2 year terms. Other positions up for appointment for 1 year terms are Sports Director, Communications Director, Social Director &

Secretary. We are also looking for a Casino Coordinator which is not a board position. If you are wanting to vote on topics or plan to run for a position, a 2020/2021 membership will need to be purchased before the meeting. Memberships WILL NOT be sold at the meeting due to Covid-19. They can be purchased through the EFCL website or by emailing our Membership Director at membership@twinbrooks.ca

WHY BECOME A COMMUNITY

LEAGUE MEMBER?

Did you know that Community League facilities are managed and operated completely by COMMUNITY VOLUNTEERS? The City of Edmonton provides the land and contributes some programs and resources, but the City does NOT manage or maintain any of our facilities (hall or rink). Work is done by community volunteers and most funds are via volunteer fundraising projects. Want to have a nice ice surface to skate

on? JOIN US. Any help would be greatly appreciated by those who are already spending countless hours volunteering their time to provide this to the community. There are many other opportunities to help out too. But the FIRST and foremost important thing: Become a member. Community League membership is the foundation of all this, and it's literally pennies per day (now rounded off to nickels, of course :)). We look forward to seeing you!
