Volunteers Needed

Do you want to volunteer, but not commit to an ongoing position? We would like to hear from you! We have a need of volunteers for everything from a quick once-off running a program up to a few hours commitment helping organize a program. If you have time or ideas, please reach out to programs@avonmore.org

Avonmore Book Club

Avonmore Book Club meets every 4-6 weeks on Thursday afternoons. Next meeting is October 9 at 1:30 p.m. Everyone is welcome. Ideas for a new book club are wel-

come. Suggest a theme and a possible time. Contact pastpresident@avonmore.org for details and information and to share new ideas.

Shinny Ice Hockey

Looking for some fun, laid-back hockey? Join us Friday nights at Kenilworth Arena (Oct 3-Mar). Teams are balanced each session, and players of all skill levels (ages 15+) are welcome. You can pay

for the full season to guarantee your spot each week or drop in when space is available. Interested, or want details on what to bring? Contact Boris at rink@avonmore.org.

Do you have a program you want to see?

The League would like to hear from residents regarding interest in more health and wellness, hobby or social programs for all ages and families. We want to make pro-

grams that people love to participate in. Contact programs@avonmore.org with your ideas.

Avonmore Community Playschool

Fall has arrived and we are busy harvesting the carrots we planted late spring, cooking/eating apples from our teacher's neighbour Cody (thank you for all the wonderful boxes of apples) and having a couple Teddy Bear picnics with our favourite stuffies.

We are looking forward to all the fun October brings, as we love dressing up and

having fun with pumpkins too.

We still have spaces available, and even though we have already started classes September 10th, it is not too late to register. If you have any questions or are looking to book a walk through/teacher meet and greet at the playschool, please email us at playschool@avonmore.org and we will help you in any way we can.

Board Positions Available

We are looking for some volunteers to share the role of Sports Director, Civics Director and Program Director respectively. We recognize that these positions carry a lot of responsibilities, and we want to make sure that the work is spread more evenly to reduce some of the load. Sports Director helps coordinate Summer and Winter sport activities for the community; they

can be involved in the running or organizing of volunteers around it. Civics Director keeps track of new permits in our neighbourhood and advocates for our Avonmore Vision. Program Director helps coordinate engaging community events. Please email president@avonmore.org if you are interested in a position or have any questions about the positions available.

Rink Attendant

Avonmore Community League is looking for a responsible and mature facility attendant(s) to contract their services to support our rink operations this winter. The Ice Makers will manage the Avonmore Community League ice rink and snowbank rink. This will include ice making and maintaining the rink surface for community use. If weather conditions or required maintenance prevent the safe use of the ice, the Ice Makers will notify skaters by posting appropriate signs on the rink and/or rink shack door. At the conclusion of

the rink season, the Ice Makers will tidy the rink and equipment area for the season closure. The Ice Makers will begin work when the long-term forecast is sufficiently cold, after November 10, 2025, and continue until March 15, 2026, or when the weather warms too much to keep the ice. The Ice Makers will be paid to build the ice sheets and then per hour of work to maintain them to a maximum of 200 hours for the season. If you are interested in this position, please contact president@avonmore.org.

We're already looking forward to the next opportunity to gather, connect, and celebrate. Until then, thank you for being part of this amazing community!

Fall Clothing Swap – October 16–19

Refresh your wardrobe without spending a dime! Join us for the Forest Terrace Heights Fall Clothing Swap from October 16–19. Drop off your gently used items on Thursday, October 16 & Friday, October 17, from 6–8 p.m., then come back to browse and pick up some new-to-you treasures. **Shopping:** Saturday, October 18 & Sunday, October 19 from 10 a.m.–3 p.m. **Location:** 10150 80 St NW. **Cost:** Free! All are welcome, and there's no limit on how much you bring or take. It's a great way to recycle, save money, and connect with neighbours. Ensure items are clean, gently worn, and ready for a new home. Clothing and accessories for men, women, and children are accepted

(no footwear or underwear, please). After the swap, all unclaimed items will be donated to a local organization. **Want to help out?** Volunteers make this event possible. If you'd like to lend a hand, email us at events@forestterrace.org. Let's recycle, refresh our wardrobes, and build community together!

Join Us as Social Media Director

Love telling stories online? Have a knack for Canva or a good eye behind the camera? We're looking for a volunteer Social Media Director to nurture the community conversation on our Facebook and Instagram channels. You'll be our neighbourhood's storyteller, sharing photos, designing simple graphics, and keeping everyone in the loop about programs, events, and local happenings. If you're ready to bring

your creativity to the community, contact president@forestterrace.org.

New Board Member: Gail Gravelines

We're excited to welcome Gail Gravelines to the board as the lead for daytime programs and activities. Gail is already co-leading one of our Not Falling for You Balance classes on Tuesday mornings at 10 a.m. at the Forest Terrace Heights Hall. She's also exploring ways to connect community members who are 55+ or simply available during the day with more oppor-

tunities to socialize, learn, and have fun. Ideas could include guest sessions with the City of Edmonton (like a demo of the new HONK parking app), coffee meet-ups, neighbourhood walking groups, or other interest-based activities. If you'd like to stay informed or have ideas for programming, send Gail a note at gail@forestterrace.org to be added to her mailing list.

Project Update: Dawson Bridge Rehabilitation

The Dawson Bridge will undergo minor rehabilitation work to strengthen the bridge piers. Construction was initially scheduled to begin earlier, but the timeline has been adjusted to start later this Fall and wrap up by Spring 2026. The delay is connected to the Low Level Bridge closure, which allows crews to take advantage of lower water levels in the colder winter months,

making the work more efficient. We expect this project to have minimal impact on traffic, with only occasional weekend closures of the bridge. Pedestrian and cyclist access will remain open, with one side of the shared-use pathway anticipated to stay accessible throughout construction. We will share additional details, including detours, closer to the start date.

2024–25 Annual Report: Out Now

Wondering what your community league has been up to? The Forest Terrace Heights Community League's 2024–25 Annual Report is here! You'll find highlights of the programs, events, financials, and initiatives we delivered this year. It's a quick snapshot of how your membership and support are helping strengthen our neighbourhood and unite people. Check it out at forestterrace.org/about or scan the QR code to dive into the full report. We're

proud of what we've accomplished with you, and even more excited for what's ahead!

Urgent Need: Help Update the Community Sign!

You know that big community sign on the corner of 79 Street and 101 Avenue? We need someone to help keep it current. The sign uses metal tiles that need to be updated every couple of months with upcoming programs and events. It's a small but mighty job that makes a big difference in keeping our neighbourhood connected. If you've got a bit of time and don't mind climbing a step

stool, we'd love your help. Interested? Reach out at president@forestterrace.org.

Facility Updates

We're happy to share some recent upgrades that are helping keep our community spaces in great shape:

Community Hall Refresh: The hall has been repainted and treated with a durable anti-graffiti coating. This not only improves its appearance but will also make future cleanups much easier.

Rink Siding Replacement: The old, weathered siding on the rink has been replaced, improving both its look and long-term durability.

Improved Drainage and Concrete Repairs: Drainage problems around the property had been causing water build-up and damage over time. These have now been addressed, along with several cracks and safety concerns in the surrounding concrete.

Equipment Room Pad Repair: The concrete slab outside the equipment room had separated from the main building, creating a potential hazard. It's now been securely reattached.

Community League Day 2025

On September 13, 2025, Holyrood Community League Day was a hit! The event brought our community together for a day filled with entertainment, delicious food, and fun activities. The band, Punch Buggy, had everyone rocking out with 90s and 00s hits. New Roots Breaking Studio entertained crowds with B-boy demonstrations and mini workshops. Kids and adults enjoyed face painting, caricature drawings, bouncy castles, yummy cotton candy from Kalina henna. The Eccentrics and Aging Backwards with Lynn session was a favourite, and Alberta Homeward Hound brought adoptable dogs. Attendees savoured gourmet sandwiches from Drift, Thai street food from Kin-D Thai Table, and Filipino-inspired ice cream from Sosyal Scoops by Yelo'd Ice Cream. A few highlights from the day included:

-The Holyrood Garden Committee held a harvest draw, with a prize basket filled with fresh produce from both the community garden and generous neighbours' gardens. The lucky winner was Dan! Yoga with Barb hosted a draw for a 3-punch class pass, and Linda walked away with the prize!

-Kim with Holyrood Rocks joined us. Holyrood Rocks is a neighbourhood-wide treasure hunt! Kids paint rocks at events throughout the year, then hide them around Holyrood for other children to find and re-hide. Parents often post their kids' finds on the Holyrood Rocks Facebook page — just search "HolyroodRocks" on Facebook for more information.

-Pastor Janelle and friends at Holyrood Community Church brought fun and creative glitter tattoos! It was a wonderful activity that brought smiles to everyone.

-Edmonton Public Libraries, Amnesty International, George Spady, Holyrood Community & Housing Collaborators, SEESA and the City of Edmonton all had tables with information for the community.

In addition to the fun, we also held our Big Bin Event to support community cleanup — and it was so popular, we had to bring in a second bin, which was filled up as well!

A huge thank you to everyone who participated, volunteered, and supported the event! By purchasing your Holyrood Community League membership, we can host events like Community League Day. If you're interested in helping at next year's event, email: events@holyroodcommunity.org. See you next year!

Treaty No. 6 Day 2025

Thank you to everyone who joined us on August 23, 2025, for Treaty No. 6 Recognition Day. Led by Indigenous knowledge keeper Kyle Campiou, community members took part in the tipi set-up and learned through land-based teachings rooted in respect and reciprocity. The tipi served as a welcoming space for reflection, conversation, and connection throughout the day—Kyle invited all who wished to share, ask questions, or simply be present. We closed the event with bannock, tea, and the

warmth of the community. This event was made possible in part thanks to the Community Safety and Wellbeing grant from the City of Edmonton. The grant helped support programming that fosters connection, safety, and inclusion—like this day of learning and relationship-building. Although the grant has now concluded, Holyrood Community League remains deeply committed to reconciliation and allyship through meaningful action and continued relationship-building.

Holyrood Golden Homes Update

The demolition work is anticipated to be completed in Fall 2025. The work will involve hazardous materials abatement, as well as demolition of the existing buildings and removal of utilities on the property. During the demolition project, nearby residents may experience increased noise levels and traffic due to the nature of the work. Most of the demolition activities will take place between the hours of 7 a.m. and 7 p.m. in accordance with the Community Standards Bylaw 14600. Steps will be taken to reduce dust and minimize noise for residents and businesses. Before the demolition work starts, fencing will go up around the perimeter of the property. The City is working to reduce demolition impacts while keeping residents and business owners informed. If you have questions or concerns, please contact the Project Manager at FacilityInfrastructureDelivery@edmonton.ca.

Next Steps

Once the demolition project is complete, the City will list the property for non-market

sale on its property listing website and invite affordable housing developers to submit proposals based on City affordable housing development guidelines. The type of affordable housing built on the site will depend on the development proposals received.

Golden Homes played an important role in the community by providing affordable housing for seniors for many years. The site will continue to offer safe, adequate and affordable housing in the future. The redevelopment is part of the City's efforts to create approximately 4,700 new or refurbished affordable housing units between 2023 and 2026.

Please visit Edmonton.ca/AffordableHousing to learn more about the Holyrood Golden Homes affordable housing project (listed under "Future Sites") and to sign-up for updates. Visit edmonton.ca/WelcomedHomes to learn more about affordable housing in Edmonton. If you have questions about affordable housing in Edmonton or the Holyrood Golden Homes site, please send an email to housing@edmonton.ca.

Holyrood Garden Committee Updates

Community Garden's Design Winner: JUMBLE

Thank you for voting for your favorite community garden design! Jumble has won and we are now working with the City of Edmonton's team to refine this layout and bring it to fruition.

Tool Donations

We are seeking tool donations for the communal garden and future community garden.

If you have an extra shovel, rake or oth-

er garden hand tools that you would like to donate, please leave it by the garden shed or contact garden@holyroodcommunity.org for a pick up.

Closing the Garden Season and Preparing for 2026

The garden committee closed this year's communal gardening season on October 5. Thank you to all the volunteer gardeners, committee members and for the neighbourhood's support. We look forward to

building the community garden in Spring 2026. Sign up to rent an individual plot in 2026 by scanning the QR Code.

Ottewell Neighbourhood Renewal - Construction Update September 2025

The third year of Ottewell Neighbourhood Renewal construction is underway! Work will consist of removal and replacement of sidewalks, curbs, gutters and street lights as well as reconstruction and paving of the roads and all associated landscaping. Drainage infrastructure work, including Low Impact Development (LID) structures, is well underway. Sidewalk installation near the LID facilities is progressing, and the backfill of the LIDs is proceeding ahead of road rehabilitation. Street light installations are progressing. The contractor is positioning new street lights as close to property lines as possible.

Upcoming road closures (Please note,

all timelines may change, depending on weather conditions):

After September 27: 95 Avenue (east of 67A Street), 68A Street continuing to 96A Avenue and the 98 Avenue service road (west of 64 Street)

For those who live in the 2023/2024 construction areas, the landscaping deficiencies have begun. Landscaping work is highly dependent on weather and sod availability. Construction in Ottewell began in spring 2023 and is expected to take five years (planned completion fall 2027). View the final design and a detailed scope map edmonton.ca/BuildingOttewell.

EPCOR Ottewell Flood Mitigation Notice

CONSTRUCTION NOTICE

Ottewell Flood Mitigation Project – Dry Pond

JULY 2025

OVERALL PROJECT MAP

EPCOR is constructing a dry pond in Ottewell Park, while dry the vast majority of the time and are designed to temporarily hold stormwater when the drainage system cannot, and help prevent flooding of roads, properties and sewer backups in basements.

Residents can expect to see the contractor use a combination of excavators, loaders, skid steers, and tandem trucks, as well as other equipment. There will be an increased presence of tandem trucks and other construction equipment entering and exiting the site.

Use of the laydown area in Ottewell Park began the week of July 7, 2025. Once final permits and agreements are in place, dry pond construction will begin. It is expected that dry pond construction will be complete in December 2025.

All affected landscaping, pavements and sidewalks will be restored to their original condition. Landscaping restorations will be completed in spring 2026, as weather permits. Please note, these timelines are estimates and may change based on weather, progress and construction conditions.

Safety of both the public and work crews is EPCOR's top priority during construction. Due to the close proximity of the dry pond construction to Braemar School and St. Brendan Catholic School, material hauling is restricted during school drop-off and pick-up hours.

Questions or concerns please contact EPCOR Projects at (780) 412-4200 or EPCORprojects@epcor.com. Full details of the project can be found at <https://shorturl.at/3WqB2>

Sprouting Something Special in Ottewell

If you've walked past the Ottewell Community League lately, you've probably noticed things are getting prepped to look a whole lot brighter. That's thanks to a brand-new mural by local artist Alex DesCoteaux of Forty Wink Studio + Goods—and, honestly, a whole bunch of community spirit splashed around with it.

Alex is an Edmonton-based illustrator and designer with a knack for creating work that's playful, bold, and full of heart. She's worked in everything from ceramics to software design, but what really lights her up are projects like this—where art is more than just something pretty on a wall, it's a way to bring people together.

The design, chosen by Ottewell residents, celebrates the neighbourhood's green spaces and Edmonton's big goal of planting 1.5 million trees. Birds, bees, flowers, and a few curious critters make

an appearance, and the whole thing feels like a little snapshot of the park itself. But the best part wasn't the reveal—it was the painting. Neighbours came out for a Paint Party, brushes in hand, and suddenly people who might normally just wave across the street were side by side, making something lasting together.

In times when it's easy to get stuck in the big, heavy headlines, projects like this are a good reminder to look local. Getting outside, meeting your neighbours face to face, adding a splash of colour to the place you live—it matters. The Ottewell mural is more than just a wall. It's proof that when we put our energy into our own communities, we can make something beautiful grow.

You can find more of Alex's work at fortywink.co or over on Instagram at @FortyWink.

Strathearn Events

October is shaping up to be a lively month in the neighbourhood. Rock and Roll Book Club returns on Thursday, October 9 at 8:00 PM to discuss Travelling: On the Path of Joni Mitchell by Ann Powers, Cher: The Memoir (Part One) by Cher, and The Name of the Band is R.E.M. by Peter Ames Carlin.

On Friday the 10th, doors open at 7:30 PM for our first edition of Pub Choir, open to confident singers and shower soloists alike. Next on Sunday, October 19 from 2:00

to 4:00 PM, join us for Write Time, a drop-in session for anyone looking to carve out a couple of hours to write. And on Friday, October 24 from 8:00 to 10:00 PM, stop by the Hall for a Haunted House experience designed for youth aged 10 and up, just the thing to get into the Halloween spirit!

If you're interested in volunteering at any of these events, please send a message to our Events Coordinator at events@strathearncl.org.
